Harry Coull

MACMILLAN COFFEE MORNING

Thank you to everyone who came along and support P5W's Coffee Morning. Together everyone raised £ for a very important cause.

PRIMARY 1 AND 2 FAMILIES

We now have a large number of children in the Primary 1 and 2 Playground. Quite a few of the children are reporting to us that they feel overwhelmed in the morning with the amount of parents and families who are gathering and waiting for the bell. We would be grateful if parents and families could leave their children in the playground and then depart, rather than waiting until the bell rings. The children are all well settled and secure now. We thank you for your understanding with this.

HARVEST

As we move towards Harvest time, we will be collecting tins of food for the Moray Food Bank. There will be a collection point at the office for tins and packets. Thank you.

HOLIDAYS

Please remember that Moray Council has requested that family holidays should not be taken during school time. Any children who are absent for periods of time due to holidays miss essential learning sessions and as per guidance, this will be marked as an unauthorised absence. Teaching work cannot be sent home prior to holidays. I require a letter requesting permission for absence from all parents intending to organise holidays during term time.

ENTRANCE TO SCHOOL – KEEP OUR CHILDREN SAFE!

Safe walking to school continues to be an area of concern. Over the next week, we will be sending some information home for parents and families, along with carrying out a range of curriculum work for the children. In the meantime we would ask all drivers to respect the safety of our children around the school – and to only drive if it is absolutely necessary. We continue to be very concerned about the parking situation along with the speed that a number of drivers are driving.

Yours sincerely,

Miss CJ Wood

Head Teacher
