

Dear Parents and Families,

WEEK 5 TERM 2 CANTEEN WEEK 1

CHRISTMAS FAYRE

Thank you very much for everyone's hard work with the Christmas Fayre last week. This raised the terrific sum of over £2000...thank you again.

INFANT PLAYGROUND

We have a large number of children in the Primary 1 and 2 Playground. Quite a few of the children are reporting to us that they feel overwhelmed in the morning with the amount of parents and families who are gathering and waiting for the bell. **We would be grateful if parents and families could leave their children in the playground and then depart, rather than waiting until the bell rings.** Thank you.

FUN AND INFORMAL CURRICULUM MEETINGS

Thank you to everyone who came along and took part in our Curriculum Meetings this week – we had lots and lots of parents coming to see the children with their learning and these were a tremendous success and much fun! We hope to do this again soon – no rollies were left! These times have also helped us to respond to survey monkeys from last session where families would like the school to organise more activities to learn together.

WEBSITE OF THE WEEK

We thought it might be helpful to share a website of the week with families. This week we have Oxford Owl to look at: <https://www.oxfordowl.co.uk/for-home/kids-activities/fun-maths-games-and-activities>. If you have any suggestions for useful websites or apps, please share these with parents by forwarding them onto the school email address.

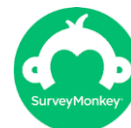

HELPING FAMILIES WITH NUMERACY

In response to some of our survey monkeys from last year, we will be re-issuing our Family Numeracy Packs in the new year. This time for all families with children in Primary 1-4. We had excellent feedback on these packs last year and parents found the packs really helpful to reinforce numeracy work undertaken in school.

SURVEY MONKEYS – PLEASE TAKE A FEW MOMENTS TO COMPLETE

We will have a few survey monkeys available for families to complete before Christmas...please take a few moments to do this for us. Thank you.

ENTRANCE TO SCHOOL – KEEP OUR CHILDREN SAFE!

Parking around the school continues to be a concern. We have now unfortunately had to notify the police regarding our concerns around unsafe parking. Police have advised the school family to take photographic evidence of people who are parking in areas that they should not be. This information can be forwarded to the school email and we will direct it to the police thereafter.

CHRISTMAS FAMILY MOVIE

Sam Lawtie and her family are running a lovely Christmas Movie night for the school in Portessie Public Hall. There will be a showing of Elf on Friday 13th December at 5.00pm and 7.30pm, tickets are £4 per adult and £2 per child with a tuck shop and hot chocolate station available. Christmas PJs or jumpers encouraged and there will be a Mystery Christmas Raffle and craft table. We're looking for donations of any Christmas products for our mystery Christmas raffle, from food to decorations to games, anything festive. Sincere thanks to Sam and her family for organising this. There's a Facebook event page, Christmas Movie Event - Elf. People can message Sam directly on Facebook for tickets or contact 07533 273033. The event is open to everyone.
