SCHOOL UNIFORM

It has been lovely to see the children return to school looking so smart in their school uniform. Wearing school uniform helps the children to remember that they are part of a learning community. As I mentioned last session, children are

expected to wear school uniform every day and parents are asked to ensure that children are wearing dark coloured school shoes (blue or black) and not brightly coloured sports trainers. We would also be grateful if children would not wear black jeans or chinos. Thank you.

ENTRANCE TO SCHOOL – KEEP OUR CHILDREN SAFE!

Please do remember that the official entrances to our school are only through the two playground gates (old police station and big playground). The lane used by traffic entering the school car park is not an official school entrance and is a dangerous route for pedestrians to use. Please use the designated entrance points to ensure everyone's safety. Thank you for ensuring the children enter the school through the correct points. Please also remember not to part on the zig zag lines.

SCOTTISH ASSESSMENTS

This month, Primary 4 children will be completing their SNSA Assessments. These assessments are completed online using the school lap tops and ipads! ☺ Any parents who would like the results of these assessments are welcome to contact me to discuss them later in the term.

NUMERACY WORKSHOPS FOR PRIMARY 1-3 CHILDREN

We are hoping to run some more Learning Together times for P1-3 and then later for Primary 4-7. We would be grateful, to make sure we get the timing of these right so that the maximum number of families can attend...if you could complete a survey monkey relating to this - <https://www.surveymonkey.co.uk/r/QPR99DL>. I will pop the link on the front of the email page as well ☺. The closing date for the survey will be next Tuesday, 21st January. Thank you.

Kind regards,

Miss Claire J Wood
